Prices include brand inspection, harvest fee, processing, custom cutting, and packaging

- You'll pay a deposit of about half the total cost of your animal to get on the list. Deposit amounts are listed below.
- Once your deposit is in, your spot is secured. An estimated time frame for pickup will be discussed ahead of deposit - varies by product and time of year.
- Finally, when you pick up your beef or yak on our ranch, you'll provide the second half of your payment, which is determined by the hanging weight of your individual animal.

Deposit Amounts:

- Yak - Half \$1200 - Whole \$2400
- Grain Finished Beef - Half \$1600 - Whole \$3300
- Grass Finished Beef - Half \$1300 - Whole \$2500

Average Hanging Weights:

- Yak - 500 lbs (250 lbs for a half)
- Grain Finished Beef - 900 lbs (450 lbs for a half)
- Grass Finished Beef - 660 lbs (330 lbs for a half)

hanging weight is the weight of the animal after initial slaughter and processing, but before aging and final butchering. Yield will depend on your custom cutting instructions and is, on average 55-65% for Beef and 60-70% for Yak.
